.....

Notice For All Swim Lessons Participants

We are unable to provide make-up swim lessons missed due to your child's absence. Exceptions will be made only in the following cases:

- If your child becomes sick during the swim session, up to a half credit can be given to be put toward a subsequent swim class.
- In the event that the pool closes on the child's lesson day, a make-up lesson will be scheduled or a credit will be issued.

YMCA Aquatics follows the YMCA refund policy available at the Welcome Center. Always retain your receipt as you may be asked to present it. All class transfers must be done three days prior to the first day of class. Requesting a transfer of time or level is not guaranteed. There must be at least three students in class time for us to be able to run the class. In the event we do not have enough children enrolled, we will try to move your child to another class time. Alternatively, we can offer you credit or a refund. For you and your child's safety, we do not allow parents and visitors on the pool deck. Parents may go to the observation window located beside the pool. Children should use the restroom prior to entering the pool. Fecal accidents may result in temporary suspension. State law requires that all participants shower before entering the pool. Swim caps or ponytails are recommended for participants with long hair.
