

The Y. So Much More.

The YMCA of Greater Whittier's "So Much More" campaign is part of our Annual Campaign, which aims to raise essential funds to support community members in need. This campaign ensures that everyone, regardless of their financial situation, can access the Y's programs and services. The funds raised help maintain facilities, provide financial aid, and guarantee inclusive access to various programs. Below is our 2024 impact in the community showcasing the results of our efforts.

Our programs are designed to address various needs within the community, ensuring that everyone has the opportunity to thrive. It's truly about making a lasting, positive impact on people's lives through activities that go beyond the typical offerings.
