

175 YEAR
ANNIVERSARY

2025 IMPACT

As we step into 2026, we take a moment to reflect on an incredible year of connection, growth, and impact at the YMCA. The year 2025 was filled with memorable events, new programs, and a renewed commitment to serving our communities due to your philanthropic support.

Our enrichment program served 348 youth this year, giving them an incredible range of experiences—from attending the zoo to baseball games to shopping at Target, and receiving essential back to school supplies and clothing.

Our South Whittier sports program proudly served 726 kids, giving youth a safe, active, and positive space to learn new skills, build confidence, and stay engaged after school.

We hosted four marquee community events—Healthy Kids Day, Back to School (August), Santa Photos, Pumpkin Plunge & Trunk or Treat. All of these events were completely free for the community thanks to the generosity of our supporters.

Our STRIDE program supported 32 adult participants, helping them build important life skills, gain new experiences, and grow in confidence and independence.

This year, 1,680 youth attended our YMCA Camp as we celebrated its 100th anniversary, marking a century of adventure, growth, and unforgettable memories.
